SAMPLE JOB AD

Date	Poster	Title	Content Description	Location/City
6/23/2009	World Leading Bio-Pharmaceutical Company	District Specialty Business Manager	<p>Industry: Biotech/Pharma Description: Our client is a world-leading bio-pharmaceutical company. The District Sales Manager is responsible for leading and managing the sales of a team of 9 sales representatives selling to physicians in their practice offices, NPs, PAs and patient educators. Products are chronic disease therapies and include injectables. Candidates MUST possess a documented track record of success in pharmaceutical sales and sales management. Candidates that do not have pharmaceutical sales experience will not be considered for this position. We have exclusively served the sales recruitment needs of bio-pharmaceutical companies since 1995, and do not offer positions with companies in any other industries.</p>	Indianapolis
